

■ Brass Electrical Accessories

PCB Terminals

With the aim to enhance the convenience of the customers we are manufacturing **PCB terminals** and electronic pins as per the specification of the customer. These brass PCB terminals are of high quality that last for long time. Our company is popular as one of the most outstanding electric PCB terminals manufacturers and exporters based in India. These are available at pocket friendly prices.

We specialize in manufacturing safe, Leak proof, flameproof and explosion proof Glands to avoid all mishaps & prevent any hazards to the health & property. **Cable glands & accessories** are available in different types like BW, CW, E1W, A1/A2, PG, marine type, etc. Brass cable accessories are produced as per BS 6121 Standard. It provides an integral armor clamp for armored cable which further results in an electrical bond between the cable armor & the gland.

Cable Glands & Accessories

Beside this, the cable gland & accessories are also available with other distinguished features. We use brass as per IS 319 or BS 249 or BS 2874:CZ 121 or any high graded brass for main parts as per specification given by customers. We also use steel, PVC, LFS, rubber, etc. for various accessories. To further facilitate our customers we have provided them a wide range in various sizes and dimensions. We are the most outstanding brass cable glands manufacturer and suppliers located in India.

Brass Neutral Links

Brass Neutral Link is very crucial component in every application of its nature. We are the most eminent brass earth links manufacturer and exporters from India. The material used in the manufacturing process of brass neutral links is available as per IS
